BARISTA

A beverage machine designed for bars, offices, shops and meeting rooms; the perfect break for your customers and employees.

Easy – choice – trendy

Easy
Specialty drinks preparation in a single step and push of a button. Easy to fill, easy to clean.

Choice
Choice of perfectly presented espresso based drinks: cup, glass or jug.
Practical cup storage with steel rail.

Trendy
Compact and stylish design, illuminated door panel, fresh and modern colours (orange for the espresso version – blue for the instant version).

Drinks
The espresso version has 2 product canisters plus a coffee bean canister for Italian espresso.
The instant version offers up to 3 product canisters and 2 mixing bowls.
For both versions an innovative programming feature allows mixing speeds to be varied which adjusts the density of drinks.
Options for a direct hot water selection.

Payment systems
xx oc is compatible with coin systems in parallel; or cashless systems in executive or MDB (optional).

Coins, tokens

Cash cards, key system

Drinks

The espresso version connected to mains water has 2 product canisters plus a coffee bean canister for Italian espresso.
The instant version offers up to 3 product canisters and 2 mixing bowls.
For both versions an innovative programming feature allows mixing speeds to be varied which adjusts the density of drinks.
Options for a direct hot water selection.

BARISTA e XX OC:

- Versions**
barista and xx oc stand alone with a built in water tank:
- 3,5 € in the espresso version
- 2,2 € in the instant version
or connection to mains water.
- Programming**
Highly flexible and personal drink profiling can be achieved either via the machines display or with our rheAction support software.
- Energy consumption**
Several energy saving features are implemented in barista and xx oc, and most noticeably: programmable switching on/off times, to keep the machine in a stand-by temperature when inactive.

barista and xx oc total energy consumption is registered, starting from the first service.

Beverages perfectly served

Beverage dispensing as desired in cup, glass, coffee-to-go cup*.
* (jug option for BARISTA)
