ZANUSSI VENDING

THE SCIENCE
OF SATISFACTION

Spazio

SPACE FOR EVERY TASTE

The automatic vending of high quality beverages is achieving new levels of personal service thanks to the stylish good looks and ease of operation incorporated in the innovative design of the Spazio from Zanussi. The Spazio provides wide choice and simplicity

in the selection of fresh brew or instant hot drinks which can be individually personalised to your specific requirements.

Features fitted as standard include variable strength selections on tea and coffee, free vend option and jug facility controlled by a special key. All of this in a machine which measures only 650 x 630 mm means that the Spazio really does have space for every taste.
